Troubadour
Drifter and Dreamer
Sing a song for the lovers and friends
Troubadour
True Believer
Break their hearts like only you can

Like a soldier in the name of peace
Like an echo sounding in the deep
Your words may bring them to their knees
But at least it's solid ground

Troubadour
You're a detour
So take 'em back, take the long way around
Troubadour
Leave 'em laughin' and weepin'
So they will say so glad you came to our town

Troubadour
Sing your song
Troubadour
Keep playin' on

It's gettin late
We better call it
Just one more song before it comes to an end
Troubadour
Give 'em somethin' to believe in
And say Amen
Say Amen
Amen
